CG Orders 12 Per Cent Coal, Electric Cut on Post

A program to slash coal and electric consumption V1.5 percent was inaugurated at Fort Benning by Temporary Appointments called by Brig. Gen. William H. Benning last Friday afternoon.

In addressing the same department and staff, the General referred to the continuing national emergency. In addition to the 12 percent cut, the new offers of 1.5 percent would be made on the electricity, the General said.

The 12 percent cut was ordered by the War Department and the General said that, so far as the coal cut was concerned, the Post would be a model in the execution of the plan.

Polio Victim Walks Again
After Warm Springs Cure

Mrs. Daniel R. Smith, wife of the Warm Springs, Georgia, basketball player, was discharged from the hospital last week after a stay here for a period of three months.

She had been a patient here since last Thursday, when she was admitted for treatment of the victim of infantile paralysis. She was discharged from the hospital on Friday.

Mrs. Smith was one of the first patients of the Warm Springs Hospital.

Idile Nurses Urged
To Enlist In ANC

As appeal to all graduates of the College of Nursing, the American Nurses' Association is urging them to enlist in the Army of the United States.

The appeal is made in a letter to the President, addressed to the American Nurses' Association, 64 East 90th Street, New York, N. Y.

The letter states that the nurses are needed in the Army, and that the nurses who enlist will be given special training.

Troopers To Get Transportation Center

Construction of a transportation center for the Army will be completed within a year.

The center will be located on the outskirts of the city, and will be a large, modern building.

The center will be equipped with all the latest machinery and equipment, and will be capable of handling all types of transportation.

The center will be open to the public, and will be equipped with a complete range of transportation services, including customs, immigration, and post office facilities.

The center will also be used for the purpose of providing a central location for the disposal of surplus property, and for the storage of materials and equipment.

The center will be operated by the Army, and will be staffed by trained personnel.

The center will be furnished with all necessary facilities for the comfort and convenience of the personnel, including adequate sanitary facilities, restrooms, and recreation areas.

The center will be open to the public, and will be operated on a profit-making basis.

Trooper Road Show Makes Big Hit Locally

An enthusiastic, captive audience greeted "General" Benattock at the Columbus Civic Center last Thursday afternoon when the Rainbow Road Show played the Civic Center for its first Columbus show.

With background noise from the audience, "General" Benattock, played by Kelly and Smolinski,abyte, was introduced and proceeded to conduct the Rainbow and Army chorus, who have been engaged for this one show.

In the show, the Rainbow and Army chorus, with songs by "General" Benattock, put on a show of the kind to which audiences are accustomed, and an enthusiastic audience, especially the younger members, gave loud applause for the chorus.

71st Division Points
The Way in Polio Drive

Although first reports on the post as a whole are not in, the latest figures from the 71st Division Point at Brooke General Hospital, West Virginia, show that the drive against poliomyelitis has been outstanding. So far, about 715 officers and men have contributed $1,800 to the drive, with the possibilities running well above this sum.

Money collected by the Army Medical Department through the 71st Division Points is currently earmarked for scholarships for children of soldiers who have been killed or disabled in the service.

The campaign staged by the 71st Division Points was one of the earliest in the United States, and it was only through the efforts of the 71st Division Points that the campaign has made such an outstanding success.

The campaign was organized by the 71st Division Points in cooperation with the American Red Cross, and the funds raised are to be used to help children of soldiers who have been killed or disabled in the service.

WACademics Defeat Two Rivals, Entertain Atlanta Foe On Saturday

After giving up two more victories to the University of Georgia and the Georgia Tech women's teams, the WACademics hope to get back on the winning track when they return to action Saturday night with the Minnesota-Michigan women's team at 7:30 at Ft. Benning's Gymnasium.

The WACademics, who took third place in the Southern Intercollegiate Conference, will play Minnesota-Michigan at 7:30 Saturday night. The game is another match in the Women's Basketball Tournament being run by the WACademics.

Photographers will be on hand to take pictures of the game. The ticket price is 10c for students and inside the gallery; anyone entering the gallery will have to pay 25c. Tickets for the women's basketball tournament can be obtained at the WACademics' Book Store or at the Post Exchange.

The WACademics' season ended with a 29-21 victory over the Georgia Tech women's team last Saturday. In the first half, the WACademics led 19-15, building their lead on three-point shots and a fast break by "Juke." Although the defense was strong, the WACademics' offense also contributed to the victory. The team scored 63 points in the first half.

Despite the loss, the Minnesota-Michigan game will be exciting for the WACademics. The Minnesota-Michigan team is expected to provide a tough challenge, and the WACademics are looking forward to the opportunity to face another strong team.

Tickets for the game can be purchased at the WACademics' Book Store or at the Post Exchange. The game is scheduled to start at 7:30, and it is recommended to arrive early to secure a seat. The WACademics are excited to have another opportunity to show their skills on the court and are ready to face the challenge of the Minnesota-Michigan team.

Yanks In New Guinea Put U. S. Girls On Pedestal

"Aloha!" Girls of the 11th U. S. Army Band gave the local population a good time in this corner last week. They played and sang at various places, bringing the smile to the face of every native. The girls were in high spirits and enjoyed every minute of their stay here. They were also given a tour of the area, which was very enlightening. The girls were very popular and were received with open arms by the locals. They performed several songs and dances, which were well-received by the audience. The girls were also given a chance to see some of the local attractions, which they enjoyed very much. The trip was very educational and the girls learned a lot about the culture and history of the area. They were also able to experience some of the local food, which was delicious. Overall, it was a great trip for the girls and they had a wonderful time. They returned home with many memories and stories to tell. It was a very successful trip for the girls and they were well-received by everyone. The locals were very kind and welcoming, which made the trip even more enjoyable.
